

Hello Junior Sponsor,

The Society of Mayflower Descendants in Michigan is always trying to update the records of our Junior members. By obtaining the latest contact information from you, their sponsor, not only will they will be included in our birthday card program, but we hope to be able to contact them of any future activities and make it easier for them to learn about available scholarships.

Glen Alan Cheney, author of *Thanksgiving: The Pilgrims' First Year in America*, inscribed in one of his books, "...you have more than DNA, you have a certain responsibility to share this information." As Juniors discover more about their principled history that the Pilgrims established, they will understand the importance of sharing that legacy, just as you shared this legacy with your Junior. Our Junior members are our future and many of them will soon become leaders in the Society of Mayflower Descendants in Michigan.

The following information will help us to get in touch, and *stay* in touch, with our great Juniors. Please provide as much information as you are able and feel comfortable in so doing:
